You and Charlie are both great guys.

You blew a crop ???

Nobody that's really done it ever says farming is easy, especially indoors.

I've blown a couple already. Tossed maybe 8 late bloomers. Trying Skeeter's 7-1 milk for PM on the AK. Popping seeds now.

Thanks, I have a dehumidifier but it wasn't in there. I prefer to think of it as Granny's Revenge but I remember being told last Summer that I haven't grown in Oregon until I have grown through Winter.

Problem is at least partially due to my love for the unstable snow tracks.

First of all let me say THANK YOU Y"ALL for the nice things you have said to me and mine.

I'm not saying don't fight or set anyone right. I'm saying pay attention to when the fight is over and cut it short before someone gets so mad they leave. One day someone is going to be excluded from this club, lose what little community support they had and blow their brains out.

We need to recognize meltdowns because they are increasing. I look around here and I see plenty of men standing around together who can still swing a hammer and throw a punch. We need to keep good men around.

Meltdowns Happen

I had my own meltdown a year or so ago before I met any of you. I know I acted irrationally and I'd be embarrassed to talk to anyone about it. Since then I noticed it occurring all over. It's fvcking crazy like people have to cross over through a meltdown to get down to making shit happen.

Anyway, I know I'm better now for the wake up call but at the time I was very unstable and vulnerable to self injury.

Unkle

Alright Charlie, I give.

Otishertz has photoshop bugs in his buds.

Many fights into this life I finally learned that **whoever stops fighting first, wins.** Ask anyone who stayed with their first wife.

Here's the list from this thing. If you can't make it or didn't ask to be on the list don't worry about it. The volunteers will find someone to take it.

Pick up your jar between 12pm Tuesday and 4pm Wednesday at Big Blue. All jars not claimed by then go to the volunteers.

I may run out of the AK since I gave out a third of this stash at the Bucket Brigade. I'll use another strain if need be but most will be AK-47 (or AK-22 as Charlie likes to say). I'll indicate on the jars somehow.

Thanks for the laughs Charlie. May Granny rest in peace. Much love to you.

The Smiley Anarchy stickers didn't arrive tonight so I will be using **ele-can** stickers on these **trolly** thread jars. The stickers are overdue so if they come in tomorrow evening I will bring some to Big Blue on Wednesday. I'll also bring some to Caregrowers Cup. Let me know you were supposed to get Smiley Anarchy and I'll set you up.

If that doesn't work send a self addressed stamped envelope with \$1 to:

**Charlie Imtohi**  
**North Polar - c/o S. Claus**  
**P.O. Box 56099**  
**North Pole, Alaska 99705-1099**

Delivery is still on schedule for 12pm tomorrow.

Thanks. I hope everyone enjoys these buds as much as I did.

Anarchy hides in the heart, but getting a sticker to publicly display it is still nice 😊

Since I won't be there today maybe I can get my Anarchy Smiley on Wednesday.

Anarchy doesn't actually hide at all. It's everywhere.

I just realized the profound irony of this situation.  
The jars are ready, but the Anarchist stickers are not conforming to the plan. 🤔

Chaos is the natural state of things. Order and structure are momentary and illusory. The only constant is entropy.
