Sguiggly Wawa

Otis,

Perhaps the need is not as great as I thought, so if there is any med left, please put me down for some.

Just a quick question...
 Re-gifting ok with you? Reason I ask is - this will be another time when I have acted as a mediator between you and another who is not OGF, but is a card holder, in need and home-bound. I help them when I can -(I am a patient - not grower at this time) and it makes for a nice little un-expected visit that they much appreciate.

Just checkin'. 😊

Thanks

The only requirement is that whoever picks it up has an OGF screen name and sufficient documentation to get in Big Blue. Re-gifting is fine, offering to the volcano fine. It is yours.

If anyone wants to assign their **donation** to another screen name so that person can pick yours up no problem just post the change in the thread before Wednesday evening and I will update the list.

How festive!

So... are you going to put decorations on the nugs before you jar them up? LOL

Think it's a cool thing you are doing! 😊
